Informed Consent for Cardiovascular Procedures Performed in the Cath Lab

Patient Addressograph

Date:_	Time:			
1.	I authorize the performance upon (name)the following procedu			
	to be performed under the direction of Dr			
2.				
3.	The nature and purpose of the procedure, possible alternative methods of treatments, the risks involved, and the possibility of complications have been explained to me. No guarantee or assurance has been given as to the results that may be obtained. I have had an opportunity to ask questions and have these questions answered.			
4.	I consent to the administration of such anesthetics/conscious sedation as may be considered necessary or advisable by the physician responsible for the service. The nature and purpose of the anesthetic, possible alternatives, risks involved, and the possibility of complications have been explained to me. I have been educated as to the risks, benefits, and possible outcomes.			
5.	I consent to the administration of blood and/or any blood components as may be considered necessary or advisable. The risks and benefits of blood transfusions have been explained to me.			
6.	I consent to the disposal by hospital authorities of any tissues or parts/products of conception which may be removed.			
7.				
8.	In the interest of education and research, I authorize the taking of photographs, movies, or videotapes of the authorized procedure or medical service. I understand that the following surgery, the photographs will be maintained on my permanent medical record. Any movies or video tapes will be given to my surgeon.			
9.	I authorize representatives of the company supplying any equipment, prosthetic device, or other device which may be used during my procedure to be present and observe the authorized procedure.			
10.	 I understand that from time to time there may be nursing students, medical students, or other students present in the operating room. I give my permission for these individuals to be present. 			
11.	. I understand Cullman Regional Medical Center does not offer open heart surgery procedures. It has been explained to me that if I wish to have my cardiac diagnostic or interventional procedure performed at a hospital with cardiac surgery services, my physician and medical staff will make efforts to transfer me to a medical facility of my choice.			
12.	2. CONSENT TO CHANGE IN STATUS DO NOT RESUSCITATE: I,			
13.	3. I have been advised not to drive a motor vehicle, operate machinery, consume alcoholic beverages, sign legal documents, or take medications other than those prescribed by my doctor, for 24 hours following administration of general anesthesia or sedation. Also, I have been advised to have a responsible adult with me for at least 24 hours after my procedure.			
14.	I certify that I have been instructed not to eat or drink anything, including water, after midnight/, or that my child will not eat or drink after midnight/2:00 a.m. Not applicable.			
15.	Other/Exceptions, if any: Not applicable			
	Witness: Authorizing Signatures:			
	This form has been fully explained to me and I certify that I understand its contents. By my signature below, I consent to all of the above.			
	(Signature) (1) Patient			
	(2) Person authorized to sign for patient - Are you the designated decision maker? □ Yes
